

INNOVATION LIVE

18 & 19 OCTOBER 2011 · RICOH ARENA · COVENTRY · UK

www.photonex.org/innovation

Showcase your expertise

Book to exhibit & promote your IP, your technology & your departments skills.

- Build new relationships
- Meet numerous buyers face-to-face
- Meet angels & financiers
- Meet technology partners
- Let the visitors discover your difference

Photonics is of great importance to scientific research, for use in industry and in the consumer sector. The contribution photonics make to the UK economy is growing.

Comprising the full range of photonics products combined with a large number of high-calibre visitors, this is the UK's premier photonics show that nobody in the field can afford to miss.
Helmut Kessler, CVI Melles Griot - General Manager Europe.
