

YOUR INVITATION TO VISIT

CORPORATE
SPONSOR

Photonex[®] SCOTLAND

Photonics Technology Roadshow

Photonics, Imaging & Light Technologies

WEDNESDAY 14TH JUNE 2017
TECHNOLOGY AND INNOVATION CENTRE
UNIVERSITY OF STRATHCLYDE, GLASGOW

Here's what's going on:

CONFERENCE

"Advances in photonic techniques for biomedical sciences"

KEYNOTE SPEAKER:
Prof Lene Broeng Oddershede,
University of Copenhagen

EXHIBITION

30+ companies exhibiting equipment, instruments and components for the very latest applications

PHOTONICS APPLICATIONS TUTORIALS

The latest photonics technology, techniques and instrumentation. EXPERT TALKS!

www.photonex.org/scotland

CO-LOCATED WITH

Vacuum ROADSHOW

Vacuum, in-vacuum,
thin films; technologies /
equipment & training.

WEDNESDAY 14TH JUNE 2017 · UNIVERSITY OF STRATHCLYDE, GLASGOW

The Roadshows are all about knowledge and information for applications in the life sciences, physics, chemistry, manufacturing and more broadly IN SCIENCE!

PLEASE TELL YOUR COLLEAGUES

Visit the event together!

Please register online in advance at
www.photonex.org/scotland or
www.vacuumroadshow.com

Event Opening Times: 9am–5pm
